This is an Amendment/Renewal to the Contract **QPA#9829** entered into by and between **State of Indiana** (hereinafter referred to as "State") and **Bosma Industries For The Blind** (hereinafter referred to as "Contractor") dated **3/15/2005**. In consideration of the mutual undertakings and covenants hereinafter set forth, the parties agree to amend the existing contract as follows:

To replace the existing Compliance with Laws, Information Technology Accessibility, and Payments clauses with the following:

Compliance with Laws

- A. The Contractor agrees to comply with all applicable federal, state and local laws, rules, regulations and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment of any state or federal statute or the promulgation of regulations thereunder after execution of this contract shall be reviewed by the State and the Contractor to determine whether the provisions of the contract require formal modification.
- B. The contractor and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State, as set forth in Indiana Code § 4-2-6 et seq., the regulations promulgated thereunder, and Executive Order 04-08, dated April 27, 2004. If the contractor is not familiar with these ethical requirements, the contractor should refer any questions to the Indiana State Ethics Commission, or visit the Indiana State Ethics Commission website at <<<<http://www.in.gov/ethics/>>>>. If the contractor or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this contract immediately upon notice to the contractor. In addition, the contractor may be subject to penalties under Indiana Code § 4-2-6-12.
- C. The Contractor certifies by entering into this Agreement, that neither it nor its principal(s) is presently in arrears in payment of its taxes, permit fees or other statutory, regulatory or judicially required payments to the State of Indiana. Further, the Contractor agrees that any payments in arrears and currently due to the State of Indiana may be withheld from payments due to the Contractor. Additionally, further work or payments may be withheld, delayed, or denied and/or this Agreement suspended until the Contractor is current in its payments and has submitted proof of such payment to the State.
- D. The Contractor warrants that it has no current or outstanding criminal, civil, or enforcement actions initiated by the State of Indiana pending, and agrees that it will immediately notify the State of any such actions. During the term of such actions, Contractor agrees that the State may delay, withhold, or deny work under any Supplement or contractual device issued pursuant to this Agreement.
- E. If a valid dispute exists as to the Contractor's liability or guilt in any action initiated by the State of Indiana or its agencies, and the State decides to delay, withhold, or deny work to the Contractor, the Contractor may request that it be allowed to continue, or receive work, without delay. The Contractor must submit, in writing, a request for review to the Indiana Department of Administration (IDOA) following the procedures for disputes outlined herein. A determination by IDOA shall be binding on the parties.
- F. Any payments that the State may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest under IC 5-17-5.
- G. The Contractor warrants that the Contractor and its subcontractors, if any, shall obtain and maintain all required permits, licenses, and approvals, as well as comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the State. Failure to do so is a material breach of the contract and grounds for immediate termination of the Agreement and denial of further work with the State.
- H. The Contractor hereby affirms that it is properly registered and owes no outstanding reports with the Indiana Secretary of State.
- I. Contractor agrees that the State may confirm, at any time, that no liabilities exist to the State of Indiana, and, if such liabilities are discovered, that State may bar Contractor from contracting with the State in the future, cancel existing contracts, withhold payments to setoff such obligations, and withhold further payments or purchases until the entity is current in its payments on its liability to the State and has submitted proof of such payment to the State.
